CORPORATE SOCIAL RESPONSIBILITY PRO BONO WORK

As a voluntary organisation Include Youth's funds do not always stretch as far as we would like.

Therefore we are interested in hearing from other organisations with specialist skills and expertise in, for example, finance, marketing, IT, or human resources; that they could offer us on a pro-bono basis that might improve our organisational capabilities.

Thanks to the Housing Executive and Northern Ireland Civil Service (NICS) for providing Include Youth with their staff to complete separate one-off communication and information management projects through Business in the Community's 'Building on Talent' initiative.
